THE FIRST PHOTOGRAPH RECEIVED OF THE VESPERS IN ENGLAND

THE VESPER CREW, OF PHILADELPHIA, AT HENLEY, TAKING OUT THEIR NEW SIXTY-TWO FOOT SHELL, THE VOLANTE, FOR THEIR FIRST PRACTICE SPIN OVER THE HISTORIC BIT OF ENGLISH WATER, WHERE SO MANY YANKEE CREWS HAVE GONE DOWN TO DEFEAT BEFORE BRITISH BRAVRY. IN THE CONTEST FOR THE GRAND CHALLENGER CUP, THE BLUE RIBBON OF ALL ROWING EVENTS, THE VESPERS WEAR THE REGULATION HENLEY QUARTER-SLEEVED SHIRTS. THE VICTORY THE VESPERS WON WAS TOLD IN A CABLEGRAM ON JULY 4.

senting the Trinity Gold Mining company, lately secured possession of several claims in the Weaver district, paying for them \$20,000. They have resold the property to D. J. Sayer, of Denver, who will further develop the mine, now fairly well opened up by means of a 500-foot shaft. The mine is next to the well known Churchill property, and has a fine showing of ore.

The claims are all near the famous Octave mine, which has in the past reached a yearly output of \$1,000,000, but which has been unworked for over a year. Its directors have just perfected a loan of \$300,000 placed in Philadelphia, and will use the money to further develop the mine, in the hope of uncovering new ore bodies.

Three Good and Just Reasons.

BOY ACCIDENTLY SHOT

Clarence Fritter, of Silver City, was the victim of an unfortunate accident last Wednesday, in which the "unloaded" pistol played an important part. Fritter and Ben Davis were together at the latter's ranch on the Mimbre river, and were engaged in some playful pastime, when Davis pulled the trigger of a gun which he supposed was empty. As it always happens, there was one cartridge in the gun, which was discharged, the bullet entering Fritter's thigh and ran downward, penetrating the femur bone. The injured boy was taken to Fort Bayard for medical treatment, where he now is. The wound is serious, but there is every prospect for Fritter's recovery. He will be laid up for some time, however.

Forced to Starve.

B. F. Leek, of Concord, Ky., says: "For 30 years I suffered agonies, with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve. It's great for burns, cuts and wounds. At all druggists; only 25c."

BASE BALL AT SANTA FE ON THE FOURTH.

The ball game yesterday was witnessed by a large crowd of enthusiastic fans. The game was a close one, and when Madrid succeeded in securing three runs and the game. One objectionable feature of the afternoon's sport was the continual rag chewing of one of the players of the Madrid team. Then, too, several decisions by the visiting umpire were on the shady side of fairness and one practically decided the game in favor of the visitors. With the one exception, the Madrid players were gentlemen on the diamond and Santa Fe welcomes them to the city. The game resulted in a victory for Madrid by the score of 11 to 8. The general opinion prevails that had it not been for George Parsons and William E. Parsons, who played with the Madrid team, the game would have been easily won by the home team—New Mexican.

A Surprise Party.

A pleasant surprise party may be given to your stomach and liver by taking a medicine which will relieve their pain and discomfort, viz: Dr. King's New Life Pills. They are a most wonderful remedy, affording pure relief and cure for headache, dizziness and constipation. 25c at all druggists.

For fully three months the people of Silver City have been able to indulge in the daily luxury of eating strawberries, and fine ones at that, says the Independent. It is safe to say that more strawberries have been consumed in this city this spring than ever before in the history of the town.

The Diamond Cure.

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take of fairness and one practically decided the game in favor of the visitors. With the one exception, the Madrid players were gentlemen on the diamond and Santa Fe welcomes them to the city. The game resulted in a victory for Madrid by the score of 11 to 8. The general opinion prevails that had it not been for George Parsons and William E. Parsons, who played with the Madrid team, the game would have been easily won by the home team—New Mexican.
